We are now looking for **volunteers** interested in spending a few weeks in the Pskov Region of western Russia working with the children of Belskoye-Ustye Psycho-Neurological Orphanage from **1 – 30 July 2011**. More information and an online application form is available on the web link above.

Summer Camp at Belskoye-Ustye

The intensity of the volunteer experience should not be underestimated. It includes:

- Working in a small, cross-cultural team of 2-4 volunteers. There are about 100 children at the Belskoye-Ustye Orphanage, which means that we need about 10 volunteer teams for the summer camp.
- Each volunteer team is assigned to a group of about 10 orphanage children. For the duration of July 2011 you'll see a lot of your group, meeting for several hours twice a day for games and activities.
- The whole group comes together for big events like sports day, the annual dance party, the crafts fair, treasure hunts, hiking/orienteering expeditions, pilgrimages to local points of interest, etc.
- Our volunteers also have planning meetings each evening to prepare materials, costumes, and any necessary props for the next day's activities.
- For the duration of the summer camp volunteers live together in a large house in the hamlet of Baranovo or in tents nearby, about a kilometre from the orphanage.

Many of our volunteers come back for several years running and form lasting friendships.
